

Echeveria

Echeveria secunda

Echeveria is a large genus of succulents in the stonecrop family. Found from Texas south to Argentina, with many species indigenous to Mexico. These plants are characterized by rosettes of fleshy grey-green leaves, sometimes tinged with pink or red, that appear to glow in reflected light. They produce stems of pink, red or yellow bell-shaped flowers that contrast beautifully with their foliage color. Echeveria are commonly called "Hens and Chicks" for the way they produce numerous offsets that seem to gather around the mother plant. Drought-tolerant and easy to maintain, they are excellent in succulent gardens, rock gardens and in containers.

REQUIREMENTS: Zones vary by species. Well-drained

soil. Full sun to part shade. Require little to no water once established but best with supplemental irrigation in the summer to keep a fresh appearance.

Echeveria 'Topsy-Turvy'

Echeveria 'Afterglow' Flower

Echeveria 'Ruffles'

Echeveria currently grown at El Nativo Growers, Inc.

Echeveria 'Afterglow'	1-2'H x 1-2'W Sun/Part Sun, Purple-Grey Foliage, Orange/Red Flowers
Echeveria 'Black Prince'	6-12"H x 6-12"W, Sun/Part Sun, Bronze Foliage, Red/Coral Flowers
Echeveria elegans	6-12"H x 6-12"W, Sun/Part Sun, Silver-Grey Foliage, Pink Flowers
Echeveria gigantea	2-3'H x 1-2'W, Sun/Part Sun, Grey-Green Foliage, Pink/Red Flowers
Echeveria x imbricata	4-6"H x 8-12"W, Sun/Part Sun, Silver-Grey Foliage, Red/Yellow Flowers
Echeveria 'Perle von Nurnberg'	6-12"H x 6-12"W, Sun/Part Sun, Greyish-Pink, Coral Flowers
Echeveria pulidonis	6-10"H x 10-15"W, Sun/Part Sun, Silver-Grey Foliage, Yellow Flowers
Echeveria 'Pulv-oliver'	6-12"H x 6-12"W, Sun/Part Sun, Green with Maroon Foliage, Orange/Red Flowers
Echeveria 'Ruffles'	10-12"H x 12-18"W, Sun/Part Sun, Green/Grey & Pink Foliage, Orange/Yellow Flowers
Echeveria runyonii 'Topsy-Turvy'	6-12"H x 6-12"W, Sun/Part Sun, Silver-Grey Foliage, Orange/Yellow Flowers
Echeveria secunda	4-6"H x 1-2'W, Sun/Part Sun, Silver-Grey Foliage, Red/Yellow Flowers
Echeveria 'Silver Spoons'	4-6"H x 8-12"W, Sun/Part Sun, Silver-Grey Foliage, Orange Flowers
Echeveria x gibbiflora	12-18"H x 12-18"W, Sun/Part Sun, Green/Grey & Pink Foliage, Pink Flowers
